

Exclusive Catering

Mozaic's exclusive catering services bring Chris Salans' reputation to your event and promise for unparalleled concept and delicacies.

The Mozaic name has already been synonymous of excellence, creativity and experience for over 5 years and is the first restaurant in Indonesia to be granted the prestigious title of Grande Table du Monde (best restaurants of the world) by Traditions et Qualité and the Award of Excellence by Wine Spectator for its wine cellar.

From concept to exquisite Chris Salans dishes, exclusive catering events by Mozaic are available for small and large functions and events at Mozaic restaurant, in the privacy of your villa or the venue of your choice anywhere in Bali. Prices for these fabulous events start at US\$150++ per person all inclusive.

Mozaic offers exclusive caterings by providing our customers with the same quality of food, wine and service that Mozaic is famed for. Because Mozaic operates its catering services along side with Mozaic restaurant, when handling catering requests we have decided to close the restaurant in order to provide all of our concentration and that of our staff on the catering event.

The Exclusive Caterings can either be done at the venue of the guests' choice or at Mozaic itself. Mozaic has upgraded its facilities and can now accommodate up to 100 people. For smaller events, the restaurant can cater for up to 70 guests and our private dining room (The Workshop) can cater up to 36 guests.
