

Private Dining Experiences **@ the workshop**

Private Dining Experiences

The Private Dining Experience at the Workshop consists of a private dinner for groups of six to 36 guests for lunch or dinner.

Conducted in the school's private dining room, away from other Mozaic Restaurant guests, the special meal is prepared in the beautiful Miele kitchen in the view of guests, and presented by the chef himself.

Similar to a Chef's Table concept, a Mozaic chef prepares a menu especially designed for you and your guests, pre-approved or surprising your guests on the day or evening of the event. The chef is yours exclusively for the event and performs your dishes live: your guest can even steal a few secrets from the master as he prepares your food.

Our chef will tailor design a menu — anywhere from four to six courses — taking into consideration your personal directives for food allergies or preferences. Wines and wine pairing are also available and recommended to fully appreciate each dish's subtle nuances.

The Private Dining experience is ideal for a family reunion, an anniversary or any celebration which needs special attention. The Workshop offers an innovative and very private experience.
